Dear Mr. Aras

European Patent Application No. 05700636.3
Applicant: Audioasics A/S

In response to the communication concerning debiting of fees – EPO Form 2935 – dated 7 August 2006 we hereby file **reasoned objections** to the charging of an additional examination fee of EUR 596.00 in respect of the above-mentioned European patent application.

Since the application is a regional phase application of PCT/DK2005/000086 in which a request for PCT demand was filed with the EPO and the prescribed fee in this respect was timely paid, the applicant is entitled to a reduction of the examination fee by 50% (+20% for language reasons).

The proceedings before the EPO are to be based on the documents on which the IPRP is based, i.e. Claim 1 as filed with telefax on 9.12.2005 and claims 2-20 as originally filed as stated in EPO Form 1200 dated 20 July 2006.

In our opinion, the correct examination fee to be paid is thus EUR 596.00 which was already paid on 20 July 2006.

However, if our understanding of the situation is not correct we accept the additional payment of the examination fee of EUR 596.00 charged to our deposit account on 25 July 2006.

Yours faithfully
Zacco Denmark A/S

Reference P200400089EP00	Application No./Patent No. 05700636.3 - 2215
Applicant/Proprietor Audioasics A/S	

Debiting of fees

- I. Directorate Treasury and Accounts has debited deposit account no. 28030012 with the following fee(s):

Fee	Code	Voucher No.	Date	Amount in EUR
Examination fee	006	00497852	25.07.06	596,00

- II. Applying the principles laid down in Board of Appeal Decision T 152/82 (OJ EPO 1984, 301), the substance of the debit order, taking into consideration the stage reached in the proceedings and the content of the file, is found to be as follows:

Correct amount:	Fee	Code	Amount in EUR
	Examination fee	006	1192,00

- III. As a result of the finding above, Directorate Treasury and Accounts has been instructed to correct the debiting as follows, leaving the payment data unchanged:

Difference:	Fee	Code	Amount in EUR
	Examination fee	006	596,00

The correction is to be made by debiting the account with the difference between the initial debit and the correct amount.

- IV. Within one month of notification of this communication the deposit account holder may file reasoned objections to this assessment of the facts, failing which his agreement to the correction will be assumed.
